MESSAGE FROM THE CEO

Jon Looman

Here at Trenton Federal Credit Union, our mission is to serve our members. We take that mission very seriously, and we are always looking for ways to improve what we're doing. Our member surveys are an important tool that helps us listen to your ideas and respond to your need.

We conducted member service surveys last quarter, and they came back with very positive responses. Here is one comment from a satisfied member: "Since joining the credit union, every employee that we have dealt with has been great! Keep up the great work!" -William Labadie

We are always open to hearing your opinions or ideas, so even if it's not survey time, please feel free to let us know what you think.

In other news, we are excited about opening a new Grosse Ile office in August for our members' convenience. We are happy to provide lots of options for accessing your accounts, and we look forward to growing our membership and expanding our services to serve you better in the years to come.

Thank you for your continued support. Have a wonderful summer!

Office Updates: New Grosse Ile Office

We are excited about our new Grosse Ile Office at 8756 Macomb, which will be opening in August! The new full-service office will include drive-thru service, lending, financial advising, 24-hour ATM and night depository. We look forward to serving you at this convenient location.

Please note that the Riverview Office will be closing at the end of July.
