## CONGRATULATIONS TO THE CLASS OF 2019

### Shore to Shore would like to congratulate 2019's graduates!

All of your hard work has paid off and the day has finally come. As you begin preparing for your future, S2S wants you to know we're here to be your financial partner and we have a lot of great tips to help you through your next important steps in life.

#### Open your own account:

Now that you've graduated, it's the perfect time to open your own savings and/or checking account!

**Save to Win:** Now that you're 18, you can open a Save to Win savings account. Start with as little as a \$25 deposit and continue depositing at least \$25 each month to earn chances to win cash prizes ranging from \$50 to \$100 per quarter. Save to Win account holders also have a chance to win from the National prize pool which awards cash prizes up to \$5,000.

#### Apply for a Credit Card:

If you don't have a credit card yet, now is a great time to apply. Use your card for small purchases, and then pay off the balance immediately. Doing this, and keeping a good debt-to-income ratio will help your credit score climb!

**Auto Loan:** Now that you are going off to college or starting your career, you

might need your own transportation to get where you're going. If you find your credit isn't high enough to get an auto loan, consider having a parent or grandparent co-sign on the loan. **Important Tip!** Speak to us about getting pre-approved before stepping into a dealership for more bargaining power.

Shore to Shore wants you to know you aren't alone as you start making bigger financial decisions. We'd love to sit down with you to talk about your options and help you build a game plan for the future. Contact us today to set up a one-on-one meeting with one of our Member Service Representatives.
